This public event is intended to explain the steps & procedures that a ballot goes through, from the moment the Election Department receives the ballot, all the way through the certification of the election.

Find out answers to the questions others are asking:

- Those machines can be hacked right?
- How do I know if my ballot is counted?
- Why didn't I get a ballot?
- What stops someone from voting twice?
- How do I stop the political phone calls?
